

A new Washer Disinfector from only £135[†] per month & trade in options of up to £2000!

Isn't it time you thought about an upgrade?

Whatever the size of your practice or space limitations you may have, Dolby Medical has a washer disinfector to suit you. Each of them have generous trade-in offers for your old unit, all run from a standard 13A socket, so no need for expensive electrical work, and all come complete with installation, validation and service plan.

Key Features:

- 240V 13A electrical supply
- 1h 35min cycle - quicker cycle available 5.6kW machine
- Steelco heritage - exceptionally reliable
- Full glass door - complete visibility of spray arm rotation
- Soft touch display within glass panel - ease of cleaning
- USB data download - no more external data logging
- Installs into existing services
- 120ml of detergent per cycle
- Less expensive on going maintenance

*Monthly payments are based upon a 5 year lease provided by Lease Direct Finance (LDF). Finance approval is subject to status and full details are available upon request. All prices exclude VAT and are for business purposes only. Dolby Medical Ltd does not provide finance but can introduce lenders. Dolby Medical Ltd are registered with the Financial Conduct Authority (FRN:720597).
